

SEXTON

EXECUTIVE SECURITY

www.sextonsecurity.com

Announces our **INTERNATIONAL EXECUTIVE PROTECTION TRAINING PROGRAM**

Being held in; **Cozumel, Grand Cayman and Jamaica**

This is an excellent opportunity for those thinking of a second career or looking for a way to earn additional income working international assignments as a

PERSONAL PROTECTION SPECIALIST

The 8 day training course is taught by world-class instructors drawn from around the U.S. and abroad with specialized training and experience in, **SWAT, Overseas Operations** in hostile environments, **Government and the Corporate Sector**

October 10 - 18, 2009

Sign up **NOW** for this immersion training from **SEXTON** and learn the **Art of Personal Protection**

During this training you will cover such topics as; assassinations and attacks, domestic and international security advances, threat assessments, tactical driving, counter-surveillance, threat assessment and threat mitigation. There will be hands-on practical exercises at **INTERNATIONAL LOCATIONS!**

You will also learn **"How to Make a Killing as a Bodyguard"**. We will not only teach you to do the job, but how to do it better and to quickly make a name for yourself in this exclusive industry.

Once trained, you will become part of a very distinguished group of professionals. This exclusive **SEXTON** membership will give you networking, travel and employment opportunities not available elsewhere.

Call TODAY to reserve your seat
